No. 424 Enc. OFFICE OF THE SANITARY COMMISSIONER IN MYSORE,

Bangalore, Dated the 27 July 1908

From

The Sanitary Commissioner to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

To

K. S. Chandrasekhara Iyer Esq.,B.A.,B.L.,
Secretary to the Government of H. H. the
Maharaja of Mysore, Gen. & Rev. Deptts.,
B A N G A L O R E.

Sir,

In continuation of this office letter No. 4777 dated the 30th. May last, I have the honor to state that now that 5 of the Deputy Inspectors of Vaccination have been sent to Madras for training in sanitation, the vaccination work in those Districts has been placed under the immediate charge of the District Medical and Sanitary Officers and that, in consequence, the clerical work in their offices has very much increased. Complaints are being received that efficient work would be impossible unless the staff sanctioned in Government Proceedings No. 1378-92 San dated the 10th. August 1907 for the Districts, is entertained at once. Even when the Deputy Inspectors themselves were attending to the clerical work relating to the Vaccination Department, the additional duties devolved on the only clerk under the District Medical and Sanitary Officer, consequent on the organisation of the new Department, were too heavy for one man. Under these circumstances,

I

I would strongly recommend that Government may be pleased to sanction the entertainment of a clerk on Rs. 15/- and a peon on Rs. 7/- for each District immediately. As soon as the Deputy Inspectors return from Madras after qualifying themselves and are appointed District Sanitary Assistants, o when District Sanitary Officers are appointed, the staff will be made over to work under them.

I have the honor to be,
Sir,

Your most obedient servant,

For Sanitary Commissioner.
